Temperance Resolutions of Southern Baptist Convention

The following resolutions on temperance were presented and enthusiastically adopted by the Convention. Indeed, the adoption was by the rising of the body and the giving of the chautauqua salute while the speaker, in prophecy soon to be realized, pronounced the doom of the business that puts money above boys and morals:

WHEREAS, One of the very greatest obstacles to the advancement of God's Kingdom in the world both at home and abroad, is the legalized liquor traffic, ruining homes, blighting characters, blasting lives, damning souls and neutralizing to a large extent the work of pastors and missionaries on home and foreign fields;

"WHEREAS, It is a fight between the churches on one side and the liquor traffic on the other side, the churches standing for good and for God in the world and the liquor traffic standing for evil in the world, be it

"RESOLVED, That we, the Southern Baptist Convention, representing a constituency of over two million members, hereby declare our determined and uncompromising opposition to the liquor traffic in all of its forms;

"Second, that we respectfully but very earnestly request the proper officers of our national government not to issue privilege taxes for the sale of liquor where its sale is prohibited by the laws of the state;

"Third, that we urge our senators and representatives in Congress to pass some measure to prevent shipment of liquor into dry territory;

"Fourth, That we will preach temperance, practice temperance, pray for temperance, vote for temperance;

"Fourth, THAT WE URGE OUR PEOPLE EVERYWHERE NOT TO VOTE FOR ANY ONE FOR ANY OFFICE WHO IS KNOWN TO BE IN SYMPATHY WITH THE LIQUOR traffic;

"Sixth that we express our joy and our gratitude to God because of the fact that since the last meeting of the Convention the prohibition territory in the bounds of the Convention has very largely increased and we declare our purpose as Southern Baptists of joining hands with our brethren of other denominations and with every one who loves the churches and the home and the school, not to cease our efforts until every vestige of this accursed traffic has been entirely banished from our land;

"Seventh, That this Convention appoint a standing committee of fifteen members to be known as the committee on temperance, whose duty it shall be to serve as a board of information and to promote in every possible way the cause of temperance till there shall not be a licensed saloon in our land, till the whole liquor traffic is driven not only from our land, but from all lands;

"Eighth, That a copy of these resolutions be furnished to the presiding officers and members of the proper officers of the state in the Congress, and that they be requested to publish them."

Eureka!

Yes, I have found it at last. Found what? Why that Chamberlain's Salve cures eczema and all manner of itching of the skin. I have been afflicted for many years with skin disease. I had to get up two or three times every night and wash with cold water to allay the terrible itching, but since using this salve in December, 1905, the itching has stopped and has not troubled me. "Good for everything a salve is used for and especially recommended for Hives." That is what we say about De Witt's Carbolic Witch Hazel Salve. That is what twenty years' of usage has proven. Get the original. Sold by Harry Cross. J. C. Page & Co., Nocatee.
